Hi Liz, I'll prep this now.

+Carolyn, I just got your message too... you are coincidentally asking for the same thing, correct?

Hi Jeff - Can you move the spreadsheet linked from here to a pdf?

Thanks, everyone!

And remember to send ALL website update requests to Jeff Morin in the morning.

Jeff, FYI: the August 12th press statement was the big item tonight that just went live:
<http://www2.epa.gov/goldkingmine/press-releases-related-2015-release-gold-king-mine>

The other big issue we're working on is the (currently unpublished) bulleted item called "Removal Investigation Plans" in the "Background" area of the GKM home page that links to this page that's drafted but not yet approved--**David Ostrander MUST approve it** before it goes live:

Deliberative Process/Ex. 5

It currently has one PDF file in it, as you'll see, but it will likely have four PDF files. Suzanne Bohan is a great contact for this.

We're also working on updating the numbers on this page, and Lisa McClain-Vanderpool will probably be your best contact for that:

Deliberative Process/Ex. 5

Thanks,
Tim
